Private or confidential information: Never provide or post any confidential information, such as details about your account or other personal information. We will never ask you to provide this information through Facebook, Instagram or any other type of Social Media channel.

Communication: We welcome your feedback and input, but we request individuals refrain from using offensive language or personal attacks. The Hardin County Bank's Social Media policy is that access may be denied or terminated if users upload or make accessible infringing content.

Opinions/endorsements: The Hardin County Bank does not endorse any comments made by its employees, unless they are an authorized representative of the bank. All unofficial statements and viewpoints expressed on Social Media channels are strictly those of an individual. The Hardin County Bank is not responsible and does not endorse any advertised posts or comments by Facebook, Instagram or third party sites or applications that may appear on the bank's Facebook or Instagram page.

The Hardin County Bank will post photographs taken at bank sponsored events and local events in galleries and photos on our Facebook and Instagram page. It is our policy not to tag individuals in photos, but will allow other users to tag themselves and others in photos. To request an image be removed from our Facebook and Instagram page, please contact Pam Wolfe, Director of Marketing, via email at [pam.wolfe@hardincountybank.com](mailto:pam.wolfe@hardincountybank.com).

Keep in mind that the guidelines listed here are subject to change at any time.
